If less than 5 members compete in that event, saddle sponsorships may be obtained by said members if they wish to receive a saddle. If there is a hardship due to illness or injury that prevents the member from competing in 50% +1 rodeo, the member may petition the executive board to override the 50% +1 rule. This will be voted on by the executive board. If a member does not fulfill the obligation to the satisfaction of the Board, they will not be eligible for year-end awards or to represent the district at other NHSRA rodeos. A member must be in full western attire to receive any awards at any awards presentation. In the event of a first place tie, the fastest time of the 2nd go round for High School or the 2nd rodeo for Junior High will determine who receives the award at the presentation and another award of equal value will be ordered for the other person. If there are no times or scores at the final rodeo, it will be a flip of a coin.

WEEKEND AWARDS:

If District Funds are available, Weekend Event awards for High School will be based on an accumulated time/score. Junior High will be based on the highest point total. High School ties will be broken by the fastest time/highest score of the 2nd round. Junior high ties will be broken by the fastest average of the two rodeos.

All around awards will be awarded to the contestant who earns the most points, In case of a tie the contestant with the highest points in the 2nd round/rodeo will receive the award.
